Volume Three

Issue One

January 2022

Even with the coldest month of winter upon us, there’s work to be done to get ready for the upcoming sailing season! Zoom meetings are the order of the day for PPSL volunteers who are planning for the second season of high school sailing in Pittsburgh. Registration is now open for Pittsburgh area high school students. Information on registration is provided below. With your help, this year we can continue to grow our sailing program. As you know, we are a no-turn-away program based on ability to pay. Please consider making a donation using the PPSL PayPal secure contribution link. We are also excited to announce that PPSL has added the Amazon Charity List Program as another option for donating (See details below).

While our RS Quests rest on their racks for the long cold winter, it’s a great time to consider making a contribution in preparation for the upcoming high school sailing season. Your contribution is crucial so we can offer a sailing program to Pittsburgh area high school students who want to learn to sail, independent of financial means. And, this year we are planning several upgrades to our safety boat. We hope you will consider making a donation using our contribution link.

Charity List Program

We are very excited to announce an additional option for contributing to our sailing program. You can now go to Amazon Smile using this link [Charity Lists \(amazon.com\)](#) (NOTE: you need to be an Amazon Smile member). Select an item from the Point of Pittsburgh Sailing League charity list, purchase it and use the address option to send it to us. We promise that your purchase will be put to good use. A sticker with your name will be placed on the item.

Registration is now open for the 2022 PPSL high school sailing season. Pittsburgh area students 14 through 18 years of age and enrolled in 9th through 12th grade by fall 2022 are eligible. A flyer on the program has already been sent to high schools in the Pittsburgh Public Schools district and other outreach efforts are underway. Please visit our website for registration forms. No prior sailing experience is needed. PPSL scholarships are available based on financial need. Look for scheduling information in the near future.
